(SERVICE LIST ATTACHED)

**BY THE BOARD:**

By prior Order dated April 13, 2006, the time for the filing of exceptions to the Initial Decision in this matter had been extended until May 25, 2006, with replies to exceptions due on May 29, 2006. In addition, the time period for review by the New Jersey Department of Environmental Protection (NJDEP) and the New Jersey Board of Public Utilities (Board) of the Initial Decision and issuance of a joint final order was extended until June 12, 2006. Subsequently, by correspondence dated May 25, 2006, a further request was made by counsel on behalf of the Board Staff and the NJDEP Staff for an extension of time for filing exceptions until June 8, 2006, with replies to exceptions due June 22, 2006.

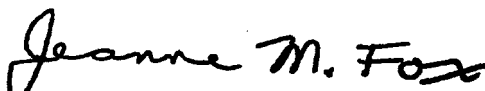

The extension of time to file exceptions as set forth in the correspondence dated May 25, 2006, is HEREBY GRANTED nunc pro tunc. Accordingly, exceptions to the Initial Decision are now due by June 8, 2006, with any replies to exceptions due June 22, 2006.

In light of the above filing dates, it is necessary to further extend the time period for agency review of the Initial Decision to July 27, 2006. This further extension will allow for continuing ongoing settlement discussions and to allow the NJDEP and Board to give full consideration of all exceptions and replies in the voluminous record in this matter.

Good cause having been shown, pursuant to N.J.S.A. 52:14B-10(c) and N.J.A.C. 1:1-18.8, IT IS ORDERED that the time for issuing the Final Decision is extended for an additional forty-five days to July 27, 2006.
